

Grafton Art Club Newsletter- October2025

Just a few notes from the meeting held Tuesday 14.10.2025

It is full steam ahead in preparation of this year's exhibition, although there are still very important things that need to be attended to.

Firstly, volunteers.

There are a few/many spots in the volunteer roster that need people to step up and fill, even if you haven't entered anything in the show, it is still your club.

We need people to be there to accept entries on the Sunday, and to arrange the stand etc.. Sunday 8.30am onwards

Monday is a hanging day, this always requires helpers and eyes.

Throughout the week there are vacancies for the entry table, this is only for two hours. As most tasks are.

We were given a short tutorial on the use of The Square, the device for card transactions.

Full instructions with pictures are with the phone and square. It is not hard, read it when you arrive for your shift.

Entries.

Your entries are due to be taken to The Barn, on Sunday, 26th October, 2025 . 9am to 5pm. No wet entries will be accepted. NO Late entries.

Labels are to be on the back left hand side.

South Grafton Market Day- Sunday 19.10.2025. 10am to 3pm.

People are required to help on the day. This is an opportunity to sell your work, sell raffle tickets and enjoy the festive atmosphere of celebration in the South Grafton Business area.
